

AUSTRALIAN RANKING LIST – 100 MILE WALK

This list show all walkers who have completed the 100 mile distance within 24 hours within Australia. The list also includes 100 mile walk performances for Australian walkers when competing overseas in ratified competition.

Sometimes an overseas performance will be of 24 Hour duration but the 100 mile split may not be accessible. Thus certain results are missing from the list. But overall, it remains a fairly comprehensive list.
